## About Me

I'm a BCA student with a strong curiosity for how technology solves real-world problems. Though I'm just beginning my professional journey, I bring a deep eagerness to learn, grow, and contribute in a collaborative environment. I thrive when given a challenge, and I'm excited to take this first step from campus to corporate with commitment, adaptability, and an open mind.

## Education

### Sri Ramakrishna College of Arts and Science

Bachelor of Computer Applications

Jul. 2022 – May 2025

Coimbatore, Tamil Nadu

### Bharatiya Vidya Bhavan Matriculation Higher Secondary School

12th

Jun. 2019 – Apr 2020

Coimbatore, Tamil Nadu

## Projects

### Eventify - Event Management Platform | *HTML, CSS, JavaScript, Firebase*

December 2024

- Developed a scalable event management platform that simplifies event creation and attendee coordination.
- Streamlined user workflows for seamless event registration, tracking, and management.
- Designed a responsive and intuitive interface to enhance user experience across all devices.
- Leveraged Firebase for real-time data management and secure authentication.

## Leadership Experience

### Placement Coordination

Student Placement Coordinator

July 2024 – Apr 2025

Sri Ramakrishna College of Arts and Science

- Communicated with placement officers to resolve interview attendance issues, ensuring smooth participation.
- Addressed students' queries about expected companies, providing clarity for better preparation.
- Collaborated with placement officers to assess hiring trends, give feedback, and update students effectively.
- Ensured students attended scheduled interviews to minimize cancellations and maximize opportunities.
